All laity are invited to participate in Lay Servant Ministries courses, not just persons seeking to become a Certified Lay Servant or a Certified Lay Speaker.

Basic Class

The basic course for Lay Servant Ministries guides you to discover & employ your gifts as God intended. This course will help you to consider the importance of exercising servant leadership, developing future leaders, remaining rooted in consistent spiritual practices and being part of a group that holds members accountable in their discipleship.

Facilitated by Bill Cosbey, Co-Director of Lay Servant Ministries in the Peaks Sub District

Storytelling

Jesus built relationships with people through simple, clear stories. And we are people of the story, seeking to name and share our stories in nearly everything we do. Dancing With Words provides help for all church leaders to explore the history and importance of storytelling in faith development and to acquire basic storytelling skills. Learn what makes a good story, discover your own style as a storyteller, learn the techniques of effective storytelling, and practice creating stories from your own experience. Let the dance begin!

Facilitated by Pastor Mark Heiss, a proficient and talented storyteller in the pulpit and out!

United Methodist Heritage

Explore a basic explanation of the beliefs and practices of The United Methodist Church as defined in Part II of The Book of Discipline. Uncover a deeper understanding and experience of Christian faith as you embrace the United Methodist way. Faithful Christian discipleship requires a foundation in the core belief and practices of the Christian tradition. Wesley's sermons and writing provide this stepping off point

Facilitated by Rev. Jeremiah Harris, currently serving as the Associate Pastor of the First United Methodist Church of Loveland
